Alma Mater

All hail to Sierra
We stand to your gloried fame.
As proud as the mountains
Which loftily share your name.
This song now we raise
In thanks and in praise
For guiding us on our way.
Sierra, Sierra, we echo again
Our love and devotion to you.
Alma Mater, hail to thee.

Special Tribute

On September 16, 1957, Sierra opened its doors to students for the first time. That was twenty-two years ago. In that span of years, strangers have become friends, traditions and school spirit have been established, teams and clubs have been organized, and good will and interest have been created between the school and the student body.

All this progress apparently came to an end on February 1, 1979, when many devoted Spartans gathered in the Whittier High School auditorium only to hear that two schools would not re-open in the fall of 1979; these schools being Monte Vista and our beloved Sierra.

But has it all really ended? Not really. Not when Sierra will live in our hearts forever. It's the people that have made Sierra what it is, and what it always will be. YOU — the members of the student body, administration, and faculty, both past and present, have breathed life into empty buildings. You have finished the job of creating a school. A job of which you can be immensely proud. It is to you that this, the last Oracle of Sierra High School, pays a *Special Tribute*. May it be a constant reminder of the tremendous job that you have done in serving your school and your community.

his job. He is proud of Sierra and his goal is always to keep the buildings and grounds looking better than any other school in the W.U.H.S. District. Whenever I talked to Harold about a repair job that needed to be done, I could always count on him to say, "Don't write a district work order, I think I can fix it myself".

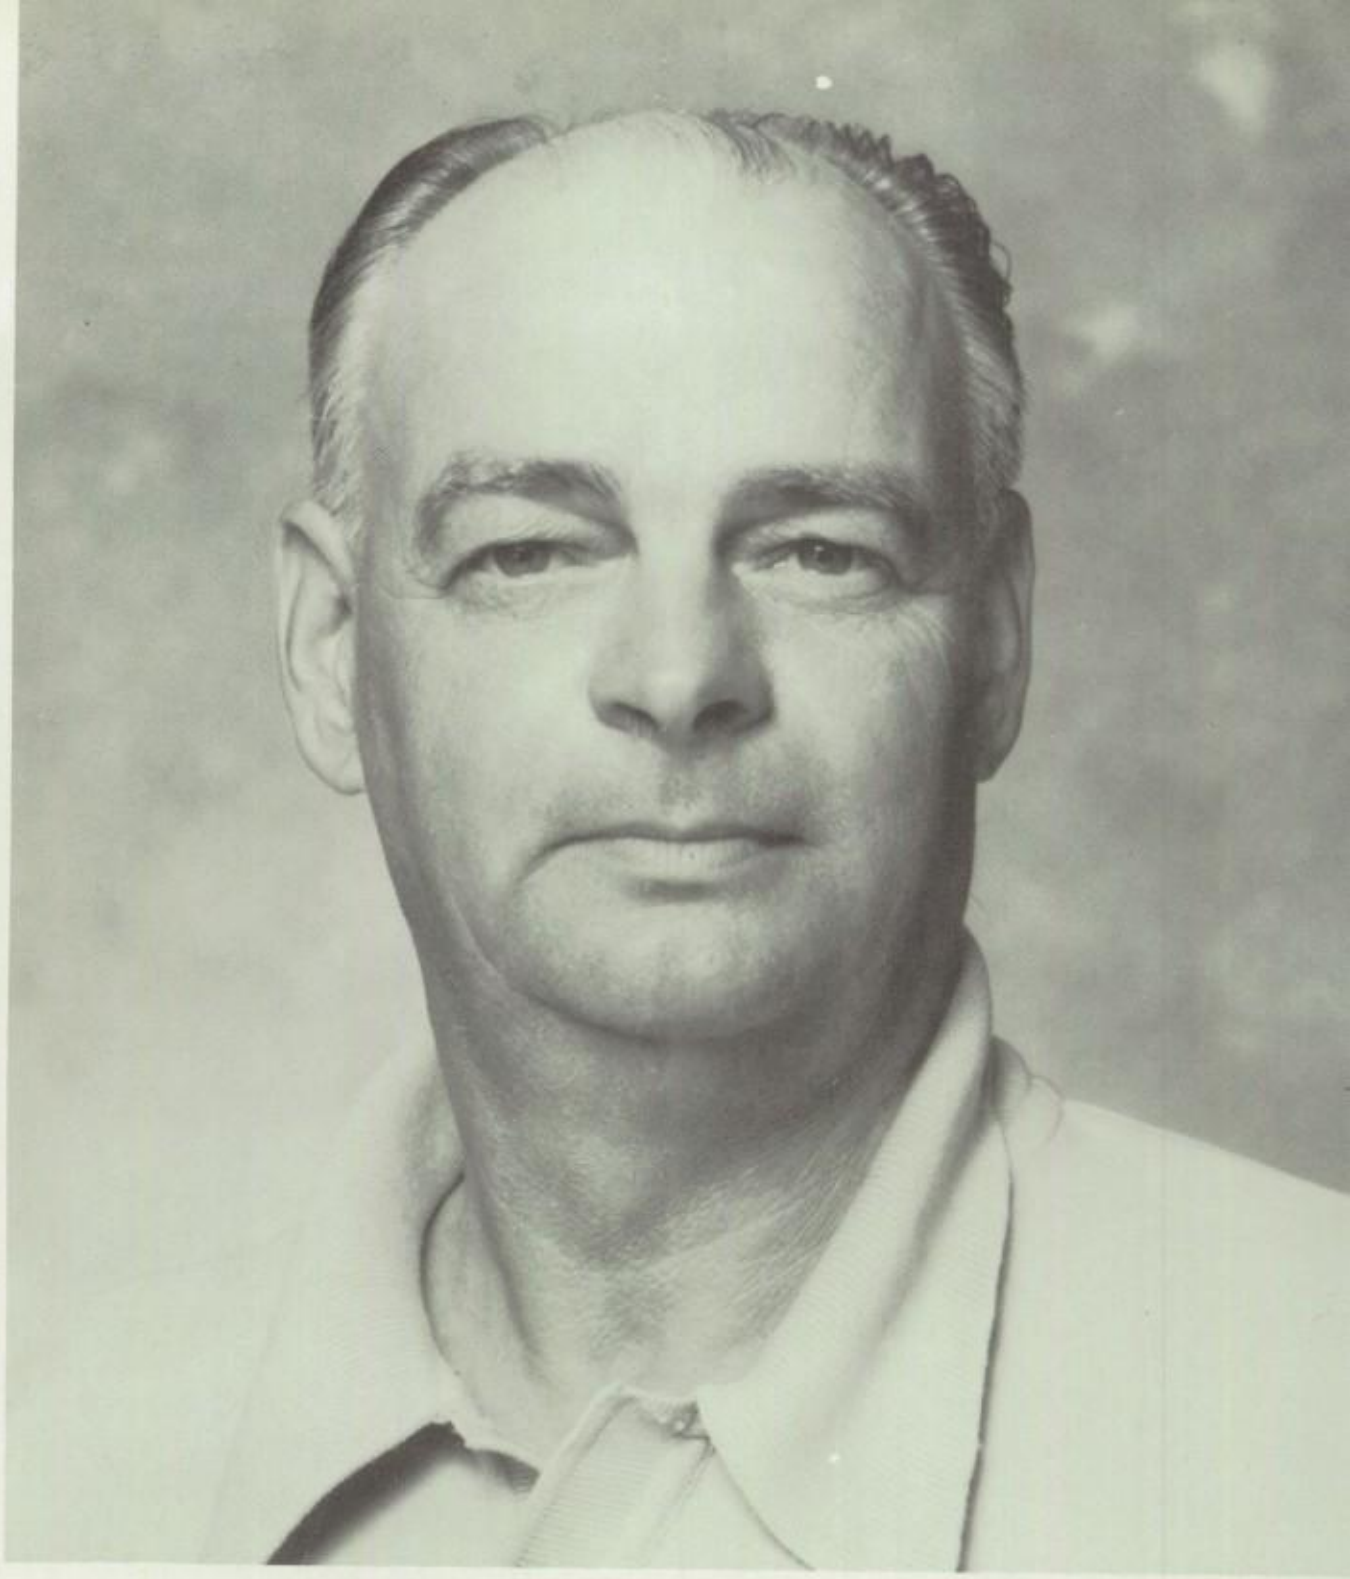
Orville McLellan
Assistant Principal
Business and Activities
1960-1975

The expression, "That's all right, Harold will take care of it", sums up how important Mr. Cawrse is to us at Sierra High School. Setting up the gym for an assembly, fixing a locker, or repairing a light are just a few of the many things that Harold finds in his daily routine. I'm extremely happy to see Mr. Cawrse receive this recognition after twenty years of dedication to students, staff, and parents. He occupies a special place in the hearts of all of us.

Robert L. Eicholtz
Principal

A high school campus that is attractive and well maintained does not "just happen" — some one person is usually responsible, and that person at Sierra is our Plant Operations Supervisor, Harold Cawrse. Harold spends many extra hours coordinating the efforts of several custodians in instilling a "pride in our school" attitude. It is fitting that Sierra's last dedication should go to one of Sierra's most dedicated, Mr. Harold Cawrse.

William F. Toohey
Assistant Principal
Educational Services



In Thanks . . .
. . . and in Praise!

In this world, hard work and dedication often go unrecognized. Volume twenty-two of the Oracle is dedicated to making everyone aware of the many outstanding contributions of one individual who has served Sierra's students, faculty, and administration since 1958. This individual, who has worked quietly "behind the scenes", has been little noticed, yet he has done his share many times over in helping make Sierra the great school it is.

This outstanding man has truly kept Sierra "running smoothly", no matter what conditions prevailed. The gym needs to be set up for a game or an assembly? Call this man to get the job done. Vandals have broken windows and damaged the buildings? Call this man to get them repaired. The power has gone off; the heaters or air conditioners aren't working? Call this man. The plumbing in the photo lab, the locker rooms, or the snack shack are stopped up? Call this man. Lockers need fixing? Call this man. The list of things can go on and on, but you get the idea. In many ways, this man has kept Sierra operating through all kinds of situations and during all kinds of predicaments.

This man has taken great pride in his work. His concern for a well-kept campus has enabled Sierra to be recognized as the cleanest campus in the district for many years. His many talents for repairing things have enabled many events to go on as scheduled when equipment broke down unexpectedly. How many events would have been cancelled if he had not been so versatile? How many times has he been called out of bed late at night to come to the campus to deal with an emergency situation?

It is because of his continuous devotion to and hard work for Sierra for the past twenty-one years that Sierra's last Oracle is proudly dedicated to our Plant Foreman, MR. HAROLD CAWRSE. We all owe him a long overdue vote of thanks!

Mr. Harold Cawrse

The End of an Era

On February 1, Spartans of all ages were shocked to learn that Sierra High had been selected by the Board of Trustees as one of the two district schools to be closed this June as comprehensive high schools. Sierra's twenty-two year existence is brief compared to many schools in this country, yet in its short history, Sierra's accomplishments have been great. Over 8000 young people will have graduated from Sierra, many of them going on to advanced education in every field imaginable. Former Spartans now hold responsible positions in industry, the professions, government, the military, entertainment, and athletics. Of the original faculty that opened the school in September 1957, thirteen still remained on the staff at its closing. While Sierra's history has been short, her influence through her alumni will continue to have an effect for many generations to come. Sierra will not be forgotten, but will be fondly remembered by those whose lives were forever changed because of its existence.

SIERRA'S ORIGINAL TEACHERS — Mr. Howard Lane, Mr. Arthur Harshbarger, Mrs. Ruth Hughes, Mr. Charles Harris, Mrs. Jean Cross, Mr. Warren Hackett, Mr. Cliff Faye, Mr. Robert Eicholtz, Mr. Thomas Whitby, Mr. Ralph Botti, Mr. Robert Dugard, Mr. Donald Poucher, and Mr. Richard B. Smith.

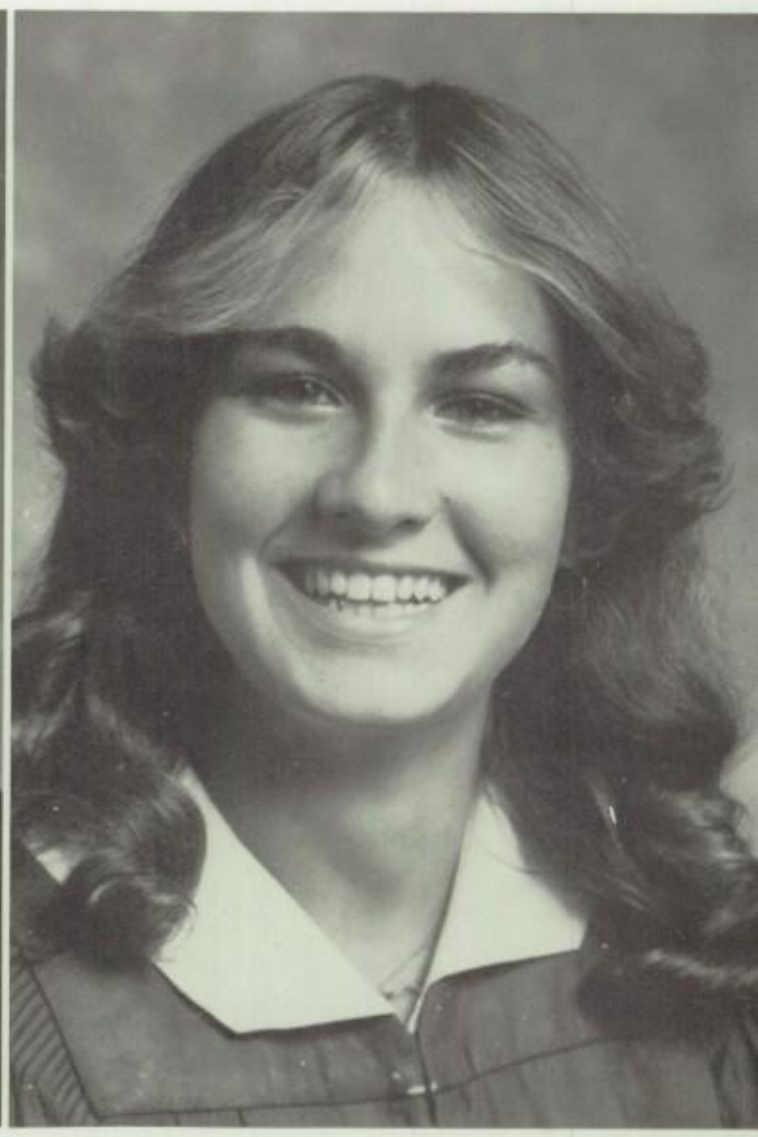
Daniela Hoffman
Germany



Cecilia Pamplona
Brazil

Have you ever wondered what it would be like to live in another country and experience other ways of life? Here at Sierra we have two people who are doing just that. They are here through a non-profit organization called Youth for Understanding. The students who get involved in Y.F.U. must pay for their transportation to the country of their choice. Once they arrive, they are placed with a typical family who act as their guardians during their stay. Sierra's two Y.F.U. students are Daniela Hoffman from Germany, who is staying with the Egbert family, and Cecilia Pamplona from Brazil, who is staying with the Duncanson family.

When asked about their impressions of Sierra, Daniela said, "Sierra is fantastic! There are more activities and classes to choose from than at home. School spirit is high. I really enjoy being a student at Sierra." Then Cecilia said, "Compared to my school in Brazil, I think Sierra has easier classes and is bigger."

Dear Student Body,

Well, I guess the end of my high school years are near. I have learned to take life as it comes and meet challenges and conquer them. As I look back on this year, I realize just how important memories are. I hope that this book has a special meaning for each of you. I know it does for me!

Take care,

Fellow '79ers,

I am very happy to have had the opportunity to represent this class, and I would like to thank those people who have helped me make this year a great success for most people. First off, there's Mr. Abernathy who never complained about all the millions of times I had to get out of class to finish last minute assignments. There's also Patrick V., Petty T, and Patty C. who would come to meetings at the shortest notice. Also the council who helped in making half the class decisions.

And last of all, I want to say thanks to all of you who made it possible for me to represent you as 1979 Senior Class President.

Love & God bless,

Juniors

I would like to thank you all for giving me a chance to be involved in our class and our school. This year I have witnessed that Sierra High School has the most pride of any school in our district and that the "Class of 1980" has a great deal of pride in our school. When Sierra was in trouble, you came together and showed your support and respect for your school.

I would also like to thank our advisors: Mrs. Woudenberg, Mr. Parsons and Mr. Moll for all of their help, without which, we could not have had the successful Prom and year that we did have.

I am very happy I had the chance to work with you this year, and I wish you all good luck and success in the future.

Sincerely,

Cindy Blazer

Sophomores

Dear Sophomore Class,

I was really glad to have the opportunity of being Sophomore Class President. We had our good times and our bad times, but our spirit and pride kept us rolling.

I'd like to thank our officers and advisers for the support given me when I needed it. So thank you all. I'll never forget this year. "81" is Number One! God be with you.

Love,

Freshmen

Dear Class of "82",
I just want to say thank you for voting me Freshmen President. Although we got off to a rocky start, all our activities went very well. For all the Freshmen that helped, my special thanks go to you. This year has been one to remember. We all had a lot of fun at our Bake Sales and Car Washes.

I have had three very pretty and smart class officers by the names of Nanci Abbott, Ann Kleiman, and Dina Guerrero. They all did a great job. Well, that's about it. See you in "82"!

Thank you,

Manuel Serano

Sierra Administration

This 1978-79 annual certainly reflects the involvement of students in the many activities that take place on campus each year. It is my hope that through your participation each of you has grown socially and academically and that your experiences have been helpful and meaningful.

In many ways, this has been an outstanding year for Sierra. The new instructional media-reading complex, the introduction of the new career guidance program, the changes that have occurred in the guidance and counseling program, and the new social studies courses that were introduced on Grades 9 and 10 should have helped all of you set realistic goals and direction for your lives.

I am pleased to see so many of you taking advantage of the opportunities that are available at your school, and I hope you share the pride in Sierra that I do.

My sincere and best wishes to each of you for success and happiness in the years ahead.

Dear Student Body,
With the close of another school year, I am very pleased with the accomplishments that Sierra students have obtained. I feel that we have really come a long way and I hope that the students' attitudes will continue to improve.

The end of this year has a special meaning to the Class of "79", for we have ended our days at Sierra and must now "Challenge the World" each in our own special way. All we can do is take one long and hopefully, fulfilling last look at what we have done in our four years here at Sierra.

I must say that serving you as Student Body President has been the greatest honor I have ever had. I know I will use this knowledge and experience that I have gained to go on to become successful in life. I hope you all will achieve your highest goals. Good luck and may God bless you.

Pep Club

Hi Everyone!

You know, it's really hard for me to condense my feelings about four wonderful, fun-filled years on one page. Being involved here at Sierra has given me many opportunities, and I hope that all of you will take advantage of them; as I have tried to.

This year, Pep Club was a group of super girls. I mean, they were really fantastic! Each and every girl really gave their "all" for Sierra. Each of them possesses a feeling of spirit and pride that I wish everyone felt. This year was the first year that Pep Club has ever attended summer camp with the cheerleaders. They really did a great job, and we all learned a lot.

I have never seen a group of people that always had such enthusiasm for everything than they did! I'd swear that they were "hyper" if I didn't know better!! Let me tell you, they are a crazy group of girls, and they would do anything for their school! We've had a lot of fun promoting Pep for Sierra, and I think everyone will tell you that they enjoyed every minute of it.

I thank all of you for giving me the opportunity to serve as your Pep Chairman this year. I have really gained a lot, and if given another chance, I would do it all over again! I wish all of you the best of luck next year and hope you all succeed in what you attempt. Just remember, it is better to aim high and miss, than to aim low and make it.

Take care, and smile!!

Sincerely yours,

Leah Carruthers

M*A*S*H
December 1 & 2, 1978

The drama department presented for its Fall Play the hilarious comedy, M*A*S*H, by Tim Kelly.

The central plot revolves around Ho-Jon, the best houseboy in all of Korea, who gets drafted into the Korean Army. But Ho-Jon wants to become a surgeon and when he returns wounded, the members of the M*A*S*H unit, led by Hawkeye and Trapper John, promise to do everything in their power to get him into medical school, including staging a football game to raise his tuition. They succeed and the story closes with Hawkeye and Trapper John going back to the United States, leaving behind them a crate of live Maine lobsters to remember them by.

Ten Little Indians

May 18 & 19, 1979

The Sierra High Theater Arts Department performed its final production, Agatha Christie's, *Ten Little Indians*, in the Whittier Community Center on the 18th and 19th of May.

The play takes place on an island off the coast of Devon, where eight guests are invited to stay the weekend by a host they have never met. Their curiosity is increased as they find the hired help had never met their employer. Suddenly, a voice over the record player accuses each one of murder.

The tension never ceases as one by one the "guests" are murdered according to the nursery rhyme, Ten Little Indian Boys. In the end, however, good triumphs over evil and the innocent are set free.

Senior Awards

Many seniors who have shown exceptional ability in the are of scholarship, leadership, and service received awards fr various businesses and community organizations. Unfor nately, due to publication deadlines, only those seniors w had earned awards prior to the first of April could be rec nized in this book. Seniors receiving awards after this d received recognition through the school newspaper and at Recognition Night Banquet, which was held on June 7.
